EARL D. OSBORNE FELLOWSHIP IN DERMAL PATHOLOGY

This fellowship, sponsored by the American Academy of Dermatology, is to provide annually the opportunity for study and training in dermal pathology to a postgraduate student who has completed satisfactorily at least one year or preferably two years of training in dermatology. The stipend is \$4,000 a year, divided into four quarterly payments during the year's fellowship. The period of training will be spent at the Armed Forces Institute of Pathology, Washington, D. C., the appointment being subject to approval by the director of the Institute. The American Board of Dermatology and Syphilology, Inc., has approved the Institute as an institute for one year of training.

It must be emphasized, however, that a student must complete one year of graduate training, either before or after completion of the Osborne Fellowship, in an institution approved by the Board for three years of training. The primary purpose of the Osborne Fellowship is to train dermatologists in dermal pathology. The large amount of material in dermal pathology on hand at the Institute will be available for study, and original research may be pursued under the direction of the chief of the Dermal Pathology Section of the Institute.

Dermatologists in training who are interested in this fellowship may obtain application blanks from Dr. Hamilton Montgomery, Chairman of the Committee on Pathology of the American Academy of Dermatology and Syphilology, 200 First Street Southwest, Rochester, Minnesota. The next available appointment begins July 1, 1965. Early application is urged and as a rule applications will not be considered after September 1, 1964, for the July 1, 1965, appointment.
